Xradar Privacy Statement

Who we are

Xradar (“us”, “we”, or “our”) operates the Xradar.com website (the “Service”).

This page informs you of our policies regarding the collection, use, and disclosure of personal data when you use our Service and the choices you have associated with that data. Our Privacy Policy for Xradar is managed through Free Privacy Policy.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, accessible from xradar.ca.

Information Collection And Use

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you (“Personal Data”). Personally identifiable information may include, but is not limited to: Email address, First name and last name, Phone number, Cookies and Usage Data

Usage Data

We may also collect information how the Service is accessed and used (“Usage Data”). This Usage Data may include information such as your computer’s Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that you visit, the time

and date of your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

Tracking & Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.Cookies are files with small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

– Session Cookies. We use Session Cookies to operate our Service.
– Preference Cookies. We use Preference Cookies to remember your preferences and various settings.
– Security Cookies. We use Security Cookies for security purposes.

Use of Data

Xradar uses the collected data for various purposes:

– To provide and maintain the Service
– To notify you about changes to our Service or future offerings
– To allow you to participate in interactive features of our Service when you choose to do so
– To provide customer care and support
– To provide analysis or valuable information so that we can improve the Service
– To monitor the usage of the Service
– To detect, prevent and address technical issues

Retaining Personal Information

If we use client, customer, member personal information to make a decision that directly affects the client, customer, member, we will retain that personal information for at least one year so that the client, customer, member has a reasonable opportunity to request access to it. Subject to this policy, we will retain client, customer, member personal information only as long as necessary to fulfill the identified purposes or a legal or business purpose.

Transfer Of Data

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction. If you are located outside Canada and choose to provide information to us, please note that we transfer the data, including Personal Data, to Canada and process it there. Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer. Xradar will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure Of Data Legal Requirements

Xradar may disclose your Personal Data in the good faith belief that such action is necessary to:

– To comply with a legal obligation
– To protect and defend the rights or property of Xradar
– To prevent or investigate possible wrongdoing in connection with the Service
– To protect the personal safety of users of the Service or the public
– To protect against legal liability

Security Of Data

The security of your data is important to us, but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use

commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Service Providers

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), to provide the Service on our behalf, to perform Service-related services or to assist us in analyzing how our Service is used. These third parties may have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose. If mobile SMS is opted-in, then it will not be shared with third parties.

Consent

We will obtain client, customer, member consent to collect, use or disclose personal information (except where, as noted below, we are authorized to do so without consent). Consent can be provided or it can be implied where the purpose for collecting using or disclosing the personal information would be considered obvious and the client, customer, member voluntarily provides personal information for that purpose. Consent may also be implied where a client, customer, member is given notice and a reasonable opportunity to opt-out of his or her personal information being used for mail-outs, the marketing of new services or products, fundraising and the client, customer, member does not opt-out. Subject to certain exceptions (e.g., the personal information is necessary to provide the service or product, or the withdrawal of consent would frustrate the performance of a legal obligation), clients, customers, members can withhold or withdraw their consent for Xradar to use their personal information in certain ways. A client's, customer's, member's decision to withhold or withdraw their consent to certain uses of personal information may restrict our ability to provide a particular service or product. If so, we will explain the situation to assist the client, customer, member in making the decision.

We may collect, use or disclose personal information without the client's, customer's, member's knowledge or consent in the following limited circumstances:

– When the collection, use or disclosure of personal information is permitted or required by law
– In an emergency that threatens an individual's life, health, or personal security

– When the personal information is available from a public source (e.g., a telephone directory)
– When we require legal advice from a lawyer
– For the purposes of collecting a debt
– To protect ourselves from fraud
– To investigate an anticipated breach of an agreement or a contravention of law

Links To Other Sites

Our Service may contain links to other sites that are not operated by us. If you click on a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Children's Privacy

Our Service does not address anyone under the age of 18 ("Children").We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your Children has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

Providing Clients, Customers, Members Access to Personal Information

Clients, Customers, Members have a right to access their personal information, subject to limited exceptions. A request to access personal information must be made in writing and provide sufficient detail to identify the personal information being sought. We will make the requested information available within 30 business days, or provide written notice of an extension where additional time is required to fulfill the request. If a request is refused in full or in part, we will notify the client, customer, member in writing, providing the reasons for refusal and the recourse available to the client, customer, member.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.We will let you know via email and/or a prominent

notice on our Service, prior to the change becoming effective and update the “effective date” at the top of this Privacy Policy.
You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
