3887 2nd Ave, Burnaby BC, Canada V5C 3W7

Last Updated: November 15, 2026

1. AGREEMENT

This End User License Agreement (“Agreement”) is a legal agreement between You (“User” or “Licensee”), on behalf of your organization and Xradar BC Inc. (“Xradar” or “Licensor”) governing your use of the software known as GRAD (“Software”), a Ground Penetrating Radar (GPR) data processing, visualization, and interpretation application.
By installing, accessing, or using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to these terms, you must not install or use the Software.

Note that although this document is written with care, it may contain unintentional errors. If you require additional information while using the program, feel free to contact: technology@xradar.com. The information in this document is subject to change without notice and that Xradar BC Inc. assumes no responsibility for errors that may appear in the manual.

GRAD is provided “as is,” without any express or implied warranties. The software and its associated modules were developed by Xradar BC Inc. and contributors as part of a research and development initiative in geophysical data processing and visualization under Xradar BC Inc.. No representations are made regarding the accuracy, reliability, or suitability of the software for any particular purpose.

2. LICENSE GRANT

Xradar BC Inc. grants you a limited, non-exclusive, non-transferable, revocable license to:

- Install and use the Software on authorized devices
- Use the Software for internal business or personal purposes
- Process, visualize, and interpret GPR data using the Software
- Create, use, and redistribute any output resulting from normal use of the Software

You may not:

- Sell, rent, lease, sublicense, distribute or otherwise transfer the Software to any other person or organization without the prior written consent of Xradar BC Inc.
- Reverse engineer, decompile, or disassemble the Software
- Copy, modify or transfer GRAD or its documentation
- Circumvent or attempt to bypass licensing or activation mechanisms

3. TRIAL LICENSE

The Software may be used under a 30-day free trial period. The trial period begins at installation. Trial access requires submission of a valid email address. After the trial period expires, continued use requires a valid purchased license key. Xradar BC Inc. reserves the right to modify or terminate the trial at any time. Upon trial expiration, access to processing tools will be revoked. Xradar BC Inc. is not responsible for data inaccessibility resulting from trial expiration.

4. OWNERSHIP

The Software is licensed, not sold. All intellectual property rights remain the exclusive property of Xradar BC Inc. All data processed using the Software remains the sole property of the User or their client.

5. DATA AND PRIVACY

The Software does not collect, store, or transmit user project data. No user information, GPR data, or other geophysical/remote sensing survey data is shared, stored, or uploaded to the cloud. The Software may transmit encrypted licensing-related or feedback tool information only (license tokens, machine IDs, error logging, crash reporting, feature requests).

6. NO WARRANTY

The Software is provided “AS IS” and “AS AVAILABLE”, without warranties of any kind. Xradar BC Inc. disclaims all warranties including accuracy, fitness for a particular purpose, merchantability, reliability, and uninterrupted operation. Xradar BC Inc. does not warrant that the use of the Software will be error-free. Xradar BC Inc. provides software updates to licensed users only.

7. PROFESSIONAL USE DISCLAIMER

The Software is a technical tool only. Interpretation of GPR data requires professional judgment. All conclusions and decisions are made at your own risk. The Software implements industry-standard and proprietary variations of geophysical data-processing algorithms. Users are responsible for validating processing parameters and interpreting results. Xradar BC Inc. shall not be held liable for any construction, engineering, or structural decisions made based on interpretations derived from the Software.

8. LIMITATION OF LIABILITY

To the maximum extent permitted under Canadian law, Xradar BC Inc. shall not be liable for any damages, including loss of data, profits, or decisions based on Software output.

9. INDEMNIFICATION

You agree to indemnify and hold harmless Xradar BC Inc. from any claims arising from your use of the Software.

10. LICENSE VALIDATION

The software may be installed on one computer only. The Software may periodically validate licenses. Failure to validate may result in restricted access. Activated users are provided with offline grace period of fifteen (15) days. After the grace period expires, reactivation of the Software may be requested.

11. TERMINATION

This Agreement may be terminated if you violate its terms. Upon termination, you must cease use and remove the Software.

12. GOVERNING LAW

This Agreement is governed by the laws of the Province of British Columbia and Canada.

13. USER SUPPORT

User support is available for licensed users. After purchase, licensed Users are eligible to receive a two (2) hour onboarding session during which a software walk-through is provided. Additionally, one-on-one support sessions are available based on Xradar BC Inc. support team availability.

14. THIRD-PARTY AND OPEN-SOURCE SOFTWARE

The Software incorporates certain third-party and open-source software components, including but not limited to the Microsoft .NET 9 Runtime. These third-party components are licensed to you under their respective original license agreements, which govern their use. Xradar BC Inc. acknowledges the use of these tools and complies with their respective attribution requirements. All third-party and open-source components are provided "AS IS". Xradar BC Inc. disclaims all express or implied warranties regarding these components, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. In no event shall Xradar BC Inc. or the original third-party contributors be held liable for any direct, indirect, incidental, special, exemplary, or consequential damages arising in any way out of the use of these third-party components.

15. USER COMMUNICATIONS

By providing an email address during registration, trial activation, or license purchase, the User acknowledges that Xradar BC Inc. may use this address to communicate information directly related to the Software, including license activation, expiration, renewal, technical support, security notifications, software updates, and other important service-related information.

Xradar BC Inc. may also send information about new features, product improvements, and related services where the User has provided consent or where otherwise permitted by applicable law. Users may unsubscribe from optional promotional communications at any time. Unsubscribing will not affect essential license-related or service communications.
